

CONGRATULATIONS ON YOUR PROMOTION!

// Please join me in celebrating the current executives and congratulating the following individuals on their promotions within Neglia. Thanks to all our clients and industry partners who have supported these leaders and allowed them to grow their careers. //

MICHAEL J. NEGLIA, PE, PP, PLS, CPWM

VICE PRESIDENT

GREGORY J. POLYNIK, PE, PP, CME, CPWM

Greg has been with the firm since 2004 and continues in his role as Vice President. His vast experience in both public and private projects has propelled him to be a top choice for clients. His role includes directing municipal and private sector representatives and client managers for the firm.

THOMAS R. SOLFARO, PE, CME, CPWM

Tom has led the Mountainside office since its inception and is the catalyst behind the office's success and growth. His experience in water resources, hydraulic and sanitary engineering, and municipal and site-civil engineering has helped Neglia win high-profile projects and continue to stand apart as a premier firm.

PRINCIPAL

**BRIAN A. INTINDOLA
PE, CME**

Brian joined the firm in 2006 and currently leads the transportation group. He has been a Principal at Neglia for many years and has helped the firm continually win new contracts for municipal- and county-level projects and appointments. Brian works closely with some of the firm's longest standing municipal clients while also contributing his traffic expertise to private sector projects.

**DAVID R. ATKINSON
PE, PP, CME**

Dave works closely with Tom Solfaro, bringing valuable leadership and experience to Neglia's Mountainside office. He has successfully managed multimillion-dollar capital improvement projects at both the municipal and county levels. Dave is experienced in municipal services and represents several of the firm's valued clients.

**DAVID JUZMESKI
PE, PP**

David joined the firm in 2004 and has proven himself to be a respected leader. He tracks a majority of the firm's municipal reviews, while also managing multiple municipal, county, and private sector clients. While David remains busy managing a number of projects, he is always available to share his experience and knowledge with colleagues and mentor young engineers.

**ANTHONY KURUS
PE, PP, CME**

Anthony has been with the firm since 2004 and his longevity has enabled him to grow his private sector practice while successfully managing several municipal clients. Anthony has earned the respect of his clients and peers through his hard work, successful project resume and experience in a wide range of site-civil projects.

**GARY A. VEENSTRA
PLS**

Gary is a licensed surveyor in both New Jersey and New York and brings over 30 years of experience to the firm. His expertise includes boundary analysis projects, as well as many other areas of surveying. Gary is active with the State surveying society and the current state survey representative for NJ Geospatial Forum. Gary is actively growing Neglia's GIS group among other initiatives.

DIRECTOR

JASON R. MENZELLA

Jason brings over 20 years of experience as an inspector and construction manager to Neglia. His certifications include NICET – Level IV among other notable accreditations. With experience spanning many types of construction, Jason looks forward to sharing his knowledge as a mentor while expanding his division.
